

JUMPSTART'S IMPACT

“With all of the technical support, resources and consulting, JumpStart has truly lived up to its name. It helped *jumpstart* CardioInsight.”

Charu Ramanathan, CardioInsight
JumpStart Portfolio Company

42,841

connections made with the entrepreneurial community

spent over **113,126** hours providing business assistance to entrepreneurs

committed more than **\$24 million** through **93** investments in **62** companies

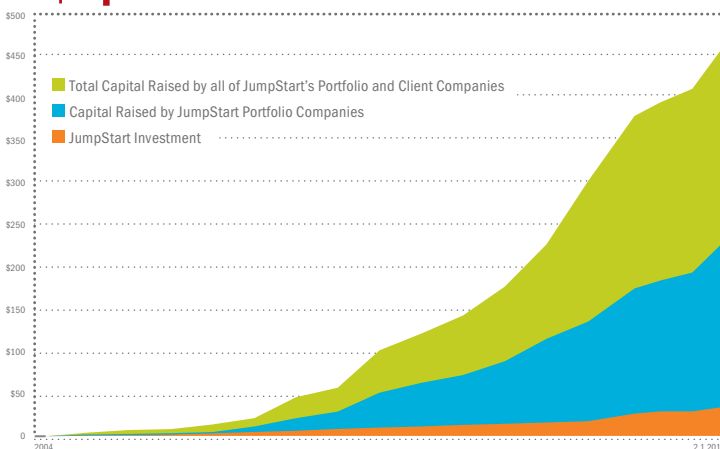

\$70.6 million is the current annual revenue rate of the JumpStart client and portfolio companies

THROUGH 2.1.2012

From 2005–2011, JumpStart portfolio and client companies have created and retained **2,916 jobs**.

In 2010, 90 companies that received investment and/or assistance from JumpStart generated **\$155 million in economic impact** in Northeast Ohio.

JumpStart portfolio and client companies have raised over **\$461 million** in risk capital.

“Without the original money from JumpStart I wouldn’t have a company...not only do I have a company, I have a company that’s growing very quickly, one that’s able to attract capital so we can continue that growth.”

Mark Woodka
